Item	Description	Size	Part No.	Dimension
	PE jumpers in galvanized brass, to be optionally used with T-TYPE enclosures series	44.27	<a href="#">CR 06 BPE</a>	
		57.27	<a href="#">CR 10 BPE</a>	
		77.27	<a href="#">CR 16 BPE</a>	
		104.27	<a href="#">CR 24 BPE</a>	
CR...BPE accessories PE jumpers could be mounted under the connector inserts to guarantee proper PE connection.				
The jumpers are not usable individually. It is necessary to use <u>both</u> supplied jumpers (in the same housing or hood) in order to ensure the proper inserts alignment.
